Departure Terminal Determines Your Best Parking Option at McCarran — “Know Before You Go”

Airport offers tips for those traveling through LAS during the first holiday season following the opening of Terminal 3

LAS VEGAS – McCarran International Airport officials are preparing for the upcoming holiday season by encouraging local travelers to “Know Before You Go” by visiting www.mccarran.com for departure terminal and parking information. The Department of Aviation projects nearly 580,000 travelers will pass through McCarran from Wednesday, Nov. 21 through Monday, Nov. 26, with crowds peaking on Sunday, Nov. 25. Domestic travelers are asked to arrive at McCarran at least 90 minutes before their scheduled departure time, and allow even more time if they are opting to park in certain economy lots.

“We can’t stress enough how important it is for locals to ‘Know Before You Go’ when flying during this busy time of year,” said Randall H. Walker, director of the Clark County Department of Aviation. “With the opening of Terminal 3 just five months ago, much has changed at McCarran since last year’s holiday travel season. The most important things for our airport patrons to know are which terminal houses their airline and what is their best parking option. The time saved by being prepared could be the difference between getting out on time or missing a flight.”

McCarran increased its parking capacity with the construction of the new 6,000-space T3 parking garage. Both Terminal 1 and Terminal 3 parking garages offer **Long-Term parking at a rate of up to \$14 per day**, as well as **Valet parking for up to \$21 per day**.

Additionally, McCarran offers terminal-specific **Economy parking at a rate of \$10 per day**.

- The Economy Lot serving Terminal 1 is located on Kitty Hawk Way, just south of Tropicana Avenue and west of Paradise Road. Shuttles run continuously between this Economy Lot and Terminal 1, and drivers using this lot should set aside at least 30 additional minutes to move to or from the airport. This shuttle will not deliver passengers to Terminal 3.
- Economy rate parking for Terminal 3 is available in the surface lot located just east of the Terminal 3 parking garage and within walking distance of the Level 1 pedestrian bridge leading into the terminal. When approaching the Terminal 3 parking garage, drivers should follow the posted directional signs to Surface parking in order to take advantage of the economy rate.

For 24-hour parking information, including live updates on space availability, travelers can call **(702) 261-5122**.

Short-Term parking and the passenger pick-up curb will also be busy. McCarran recently numbered the pillars in the passenger pick-up areas to make locating family and friends a little easier. Before heading to the airport to pick someone up, please check their flight’s status at www.mccarran.com.
